### **About IDEX**

IDEX Corporation (NYSE: IEX) designs and builds engineered products and mission-critical components that make everyday life better. IDEX precision components help craft the microchip powering your electronics, treat water so it is safe to drink, and protect communities and the environment from sewer overflows. Our optics enable global broadband satellite communications, and our pumps move challenging fluids that range from hot, to viscous, to caustic. IDEX components assist healthcare professionals in saving lives as part of many leading diagnostic machines, including DNA sequencers that help doctors personalize treatment. And our fire and rescue tools, including the industry-leading Hurst Jaws of Life®, are trusted by rescue workers around the world. These are just some of the thousands of products that help IDEX live its purpose – Trusted Solutions, Improving Lives™. Founded in 1988 with three small, entrepreneurial manufacturing companies, IDEX now includes more than 50 diverse businesses around the world. With about 9,000 employees and manufacturing operations in more than 20 countries, IDEX is a diversified, high-performing, global company with approximately \$3.3 billion in annual sales.
