Item 1.01. Entry into a Material Definitive Agreement.

Issuance of 4.950% Senior Notes due 2029

On August 21, 2024, IDEX Corporation (the “Company”) completed an underwritten public offering of \$500.0 million in aggregate principal amount of its 4.950% Senior Notes due 2029 (the “Notes”). The offering of the Notes was made pursuant to the Company’s effective shelf registration statement on Form S-3ASR (File No. 333-277309) filed on February 23, 2024 and related prospectus supplement filed with the Securities and Exchange Commission on August 7, 2024. The Notes were issued under an Indenture, dated as of December 6, 2010 (the “Base Indenture”), between the Company and Computershare Trust Company, N.A., as successor to Wells Fargo Bank, National Association, as trustee (the “Trustee”), as supplemented by the Fifth Supplemental Indenture, dated as of August 21, 2024 (the “Supplemental Indenture” and, together with the Base Indenture, the “Indenture”), between the Company and the Trustee.

The net proceeds from the offering were approximately \$495.0 million, after deducting the underwriting discount and estimated offering expenses of approximately \$1.7 million payable by the Company. The Company intends to use the net proceeds from the offering, together with available revolving credit facility borrowings and cash on hand, to (i) fund the cash consideration payable by the Company to consummate its previously announced acquisition of all of the issued and outstanding capital stock of Mott Corporation and its subsidiaries (the “Mott Acquisition”) and (ii) pay fees and expenses in respect of the foregoing.

The Notes will bear interest at a rate of 4.950% per annum, which will be payable semi-annually in arrears on March 1 and September 1 of each year, commencing on March 1, 2025. The Notes will mature on September 1, 2029. Prior to August 1, 2029 (the “Par Call Date”), the Company may redeem the Notes at the Company’s option, in whole or in part, at any time and from time to time, at a redemption price (expressed as a percentage of principal amount and rounded to three decimal places) equal to the greater of: (a) the sum of the present values of the remaining scheduled payments of principal and interest thereon discounted to the redemption date (assuming the Notes matured on the Par Call Date) on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate (as defined in the Supplemental Indenture) plus 20 basis points, less interest accrued to the date of redemption, and (b) 100% of the principal amount of the Notes to be redeemed; plus accrued and unpaid interest on the Notes to, but excluding, the redemption date. On or after the Par Call Date, the Company may redeem the Notes at the Company’s option, in whole or in part, at any time and from time to time, at a redemption price equal to 100% of the principal amount of the Notes being redeemed, plus accrued and unpaid interest thereon to, but excluding, the redemption date. The Notes will not have the benefit of any sinking fund.

If (i) the Mott Acquisition is not consummated on or before the later of (x) November 20, 2024 or (y) such later date to which the outside date under the Mott Acquisition Agreement (as defined in the Supplemental Indenture) may be extended in accordance with the terms thereof, any such extension to be set forth in an officer’s certificate delivered to the Trustee prior to the close of business on November 20, 2024 (the later of (x) and (y) being referred to herein as the “Special Mandatory Redemption End Date”), (ii) prior to the Special Mandatory Redemption End Date, the Mott Acquisition Agreement is terminated according to its terms without the closing of the Mott Acquisition or (iii) the Company otherwise notifies the Trustee in writing that the Company will not pursue the consummation of the Mott Acquisition, then the Company will be required to redeem all of the outstanding Notes at a special mandatory redemption price equal to 101% of the aggregate principal amount of the Notes, plus accrued and unpaid interest, if any, to, but excluding, the special mandatory redemption date.

If the Company experiences a “Change of Control Triggering Event” (as defined in the Supplemental Indenture), the Company must offer to repurchase all or any part of the Notes (unless otherwise redeemed) at a price equal to 101% of the principal amount thereof, plus accrued and unpaid interest, if any, to, but excluding, the repurchase date.

The Company may issue additional debt securities from time to time pursuant to the Indenture. The Indenture and Notes contain covenants that limit the ability of the Company and its restricted subsidiaries to, among other things, incur certain liens securing indebtedness, engage in certain sale-leaseback transactions, and enter into certain consolidations, mergers, sales, conveyances, transfers or leases of all or substantially all the Company’s assets. The Indenture also provides for customary events of default (subject in certain cases to customary grace and cure periods), which include nonpayment, breach of covenants in the Indenture and certain events of bankruptcy and insolvency. Generally, if an event of default occurs, the Trustee or holders of at least 25% in aggregate principal amount of the then outstanding Notes may declare the principal amount of all the Notes to be due and payable immediately.

The Notes are senior, unsecured obligations of the Company and will be (i) equal in right of payment to all of the Company's existing and future senior unsecured indebtedness, (ii) senior in right of payment to all of the Company's existing and future subordinated indebtedness and (iii) effectively subordinated in right of payment to the Company's future secured indebtedness to the extent of the value of the Company's assets and the assets of its subsidiaries securing such indebtedness. The Notes are not guaranteed by any of the Company's subsidiaries and are therefore structurally subordinated in right of payment to all of the existing and future indebtedness and other liabilities of the Company's subsidiaries.

The foregoing description of the Indenture and the Notes does not purport to be complete and is qualified in its entirety by reference to the complete terms and conditions of the Base Indenture, the Supplemental Indenture and the form of 4.950% Senior Notes due 2029, a copy of each of which is filed or incorporated by reference, as the case may be, as Exhibits 4.1, 4.2 and 4.3 hereto, and is incorporated herein by reference. In connection with the issuance of the Notes, Sidley Austin LLP provided the Company with the legal opinion attached hereto as Exhibit 5.1.

“**Treasury Rate**” means, with respect to any redemption date, the yield determined by the Company in accordance with the following two paragraphs.

The Treasury Rate shall be determined by the Company after 4:15 p.m., New York City time (or after such time as yields on U.S. government securities are posted daily by the Board of Governors of the Federal Reserve System), on the third Business Day preceding the redemption date based upon the yield or yields for the most recent day that appear after such time on such day in the most recent statistical release published by the Board of Governors of the Federal Reserve System designated as “Selected Interest Rates (Daily) — H.15” (or any successor designation or publication) (“H.15”) under the caption “U.S. government securities — Treasury constant maturities — Nominal” (or any successor caption or heading) (“H.15 TCM”). In determining the Treasury Rate, the Company shall select, as applicable: (1) the yield for the Treasury constant maturity on H.15 exactly equal to the period from the redemption date to the Par Call Date (the “Remaining Life”); or (2) if there is no such Treasury constant maturity on H.15 exactly equal to the Remaining Life, the two yields — one yield corresponding to the Treasury constant maturity on H.15 immediately shorter than and one yield corresponding to the Treasury constant maturity on H.15 immediately longer than the Remaining Life — and shall interpolate to the Par Call Date on a straight-line basis (using the actual number of days) using such yields and rounding the result to three decimal places; or (3) if there is no such Treasury constant maturity on H.15 shorter than or longer than the Remaining Life, the yield for the single Treasury constant maturity on H.15 closest to the Remaining Life. For purposes of this paragraph, the applicable Treasury constant maturity or maturities on H.15 shall be deemed to have a maturity date equal to the relevant number of months or years, as applicable, of such Treasury constant maturity from the redemption date.

If on the third Business Day preceding the redemption date H.15 TCM is no longer published the Company shall calculate the Treasury Rate based on the rate per annum equal to the semi-annual equivalent yield to maturity at 11:00 a.m., New York City time, on the second Business Day preceding such redemption date of the United States Treasury security maturing on, or with a maturity that is closest to, the Par Call Date, as applicable. If there is no United States Treasury security maturing on the Par Call Date but there are two or more United States Treasury securities with a maturity date equally distant from the Par Call Date, one with a maturity date preceding the Par Call Date and one with a maturity date following the Par Call Date, the Company shall select the United States Treasury security with a maturity date preceding the Par Call Date. If there are two or more United States Treasury securities maturing on the Par Call Date or two or more United States Treasury securities meeting the criteria of the preceding sentence, the Company shall select from among these two or more United States Treasury securities the United States Treasury security that is trading closest to par based upon the average of the bid and asked prices for such United States Treasury securities at 11:00 a.m., New York City time. In determining the Treasury Rate in accordance with the terms of this paragraph, the semi-annual yield to maturity of the applicable United States Treasury security shall be based upon the average of the bid and asked prices (expressed as a percentage of principal

amount) at 11:00 a.m., New York City time, of such United States Treasury security, and rounded to three decimal places.

“**Voting Stock**” means, with respect to any specified “person” (as that term is used in Section 13(d)(3) of the Exchange Act) as of any date, the Capital Stock of such person that is at the time entitled to vote generally in the election of the board of directors of such person.

Section 2.02. *Rules of Construction.* Unless the context otherwise requires or except as otherwise expressly provided, the term “interest” in this Fifth Supplemental Indenture shall be construed to include additional interest, if any.

Section 2.03. *Definition of Corporate Trust Office.* The definition of “Corporate Trust Office” contained in the Base Indenture shall be replaced with the following:

“**Corporate Trust Office**” means the office of the Trustee at which the corporate trust business of the Trustee shall, at any particular time in relation to this Indenture, be principally administered, which office is, at the date as of which this Indenture is dated, located at Computershare Trust Company, N.A., 1505 Energy Park Drive, Saint Paul, Minnesota 55108, Attention: CCT Administrator for IDEX Corporation, and for purposes of Section 3.02 such office shall also mean the office or agency of the Trustee located at 1505 Energy Park Drive, Saint Paul, Minnesota 55108, Attention: CCT Administrator for IDEX Corporation.

ARTICLE 3 COVENANTS

The following covenants shall apply in addition to the covenants set forth in the Base Indenture:

Section 3.01. *Change of Control Offer.*

(a) If a Change of Control Triggering Event occurs, unless the Company has exercised its option (or obligation, as the case may be) to redeem the Notes pursuant to Section 6.01 or Section 6.02 of this Fifth Supplemental Indenture, the Company shall be required to make an offer (a “**Change of Control Offer**”) to each Holder of the Notes to repurchase all or any part (equal to \$2,000 or an integral multiple of \$1,000 in excess thereof) of that Holder’s Notes on the terms set forth in the Notes. In a Change of Control Offer, the Company shall be required to offer payment in cash equal to 101% of the aggregate principal amount of Notes repurchased, plus accrued and unpaid interest, if any, on the Notes repurchased to, but not including, the repurchase date (a “**Change of Control Payment**”).

(b) Within 30 days following any Change of Control Triggering Event or, at the Company’s option, prior to any Change of Control, but after public announcement of the transaction that constitutes or may constitute the Change of Control, a notice shall be mailed or sent electronically pursuant to applicable DTC procedures to Holders of the Notes with a copy to the Trustee describing the transaction that constitutes or may constitute the Change of Control Triggering Event and offering to repurchase such Notes on the repurchase date specified in the applicable notice, which date shall be no earlier than 10 days and no later than 60 days from the date on which such notice is mailed or sent (a “**Change of Control Payment Date**”).

(c) The notice shall, if mailed or sent prior to the date of consummation of the Change of Control, state that the Change of Control Offer is conditioned on the Change of Control Triggering Event occurring prior to or on the applicable Change of Control Payment Date specified in the notice.

(d) On each Change of Control Payment Date, the Company shall, to the extent lawful:

(i) accept for payment all Notes or portions of Notes properly tendered pursuant to the applicable Change of Control Offer;

(ii) no later than 10:00 a.m. New York City time, deposit with the paying agent an amount equal to the Change of Control Payment in respect of all Notes or portions of Notes properly tendered pursuant to the applicable Change of Control Offer; and

(iii) deliver or cause to be delivered to the Trustee the Notes properly accepted together with an Officer's Certificate stating the aggregate principal amount of Notes or portions of Notes being repurchased.

(e) The Company shall not be required to make a Change of Control Offer upon the occurrence of a Change of Control Triggering Event if a third party makes such an offer in the manner, at the times and otherwise in compliance with the requirements for an offer made by the Company, and the third party repurchases all Notes properly tendered and not withdrawn under its offer.

(f) The Company shall comply with the requirements of Rule 14e-1 under the Exchange Act, and any other securities laws and regulations thereunder to the extent those laws and regulations are applicable in connection with the repurchase of the Notes as a result of a Change of Control Triggering Event. To the extent that the provisions of any such securities laws or regulations conflict with the Change of Control Offer provisions of the Notes, the Company shall comply with those securities laws and regulations and shall not be deemed to have breached its obligations under the Change of Control Offer provisions of the Notes by virtue of any such conflict.

Section 3.02. *Limitations on Liens.*

(a) The Company shall not, and shall not permit any Restricted Subsidiary to, directly or indirectly, create, assume or permit to exist, any Lien, other than Permitted Liens, on any Principal Property, or upon Capital Stock or Debt of any Restricted Subsidiary and owned by the Company or any Subsidiary, now or hereafter acquired, to secure Debt, without effectively providing concurrently that the Notes are secured equally and ratably with such Debt, for so long as such Debt shall be so secured.

(b) Notwithstanding the restrictions set forth in paragraph (a) in this Section 3.02, the Company and its Restricted Subsidiaries may, directly or indirectly, create, assume or permit to exist any Lien that would otherwise be subject to the restrictions set forth in paragraph (a) in this Section 3.02 without equally and ratably securing the Notes if, at the time of such creation, assumption or permission, after giving effect thereto and to the retirement of any Debt which is concurrently being retired, the aggregate principal amount of outstanding Debt secured by Liens which would otherwise be subject to such restrictions (not including Permitted Liens) plus all Attributable Debt of the Company and its Restricted Subsidiaries in respect of Sale and Leaseback Transactions with respect to any Principal Property (not including such transactions described under any of clauses (i) through (vii) in Section 3.03(a) of this Fifth Supplemental Indenture), does not exceed 15% of Consolidated Net Tangible Assets.

Section 3.03. *Limitations on Sale and Leaseback Transactions.*

(a) The Company shall not, and shall not permit any Restricted Subsidiary to, enter into any Sale and Leaseback Transaction with respect to any Principal Property owned by the Company or such Restricted Subsidiary, unless:

(i) the Sale and Leaseback Transaction is solely with the Company or a Subsidiary;

(ii) the lease in such Sale and Leaseback Transaction is for a period not in excess of three years;

(iii) the lease in such Sale and Leaseback Transaction secures or relates to industrial revenue, pollution control or similar bonds;

(iv) the Sale and Leaseback Transaction is entered into prior to or within 12 months after the purchase or acquisition of the Principal Property which is the subject of such Sale and Leaseback Transaction;

(v) the Sale and Leaseback Transaction involving property of a Person existing at the time such Person is merged into or consolidated with the Company or a Subsidiary or at the time of a sale, lease or other disposition of the properties of a Person as an entirety or substantially as an entirety to the Company or a Subsidiary;

(vi) the proceeds of the Sale and Leaseback Transaction are at least equal to the fair value (as determined by the Company's Board of Directors in good faith) of the Principal Property leased pursuant to such Sale and Leaseback Transaction, so long as within 180 days of the effective date of such Sale and Leaseback Transaction, the Company or such Restricted Subsidiary apply (or irrevocably commit to an escrow account for the purpose or purposes hereinafter mentioned) an amount equal to the greater of (A) net proceeds of such sale, and (B) the Attributable Debt of the Company and the Company's Restricted Subsidiaries in respect of such Sale and Leaseback Transaction to either (x) the purchase of property which shall constitute a Principal Property having a fair value at least equal to the fair value of the Principal Property leased, or (y) the retirement or repayment (other than any mandatory retirement, mandatory prepayment or sinking fund payment or by payment at maturity) of any Funded Debt of the Company or

a Restricted Subsidiary (other than Funded Debt that is subordinated to the Notes) or preferred stock of any Subsidiary (other than any such Debt owed to or preferred stock owned by the Company or any Subsidiary); provided, however, that in lieu of applying an amount equivalent to all or any part of such net proceeds to such retirement or repayment (or committing such an amount to an escrow account for such purpose), the Company or the Restricted Subsidiary may deliver to the Trustee Outstanding Notes and thereby reduce the amount to be applied pursuant to (y) of this clause (vi) by an amount equivalent to the aggregate principal amount of the Notes so delivered;

(vii) the Sale and Leaseback Transaction involving the extension, renewal or replacement (or successive extensions, renewals or replacements) in whole or in part of a lease pursuant to a Sale and Leaseback Transaction referred to in clauses (i) through (vi), inclusive, in this Section 3.03; provided, however, that such lease extension, renewal or replacement shall be limited to all or any part of the same property leased under the lease so extended, renewed or replaced (plus improvements to such property); or

(viii) the Attributable Debt of the Company and its Restricted Subsidiaries in respect of such Sale and Leaseback Transaction and all other Sale and Leaseback Transactions with respect to any Principal Property (not including any Sale and Leaseback Transactions described under any of clauses (i) through (vii) of this Section 3.03), plus the aggregate principal amount of outstanding Debt secured by Liens upon Principal Properties or Capital Stock or Debt of any Restricted Subsidiary and owned by the Company or any Subsidiary then Outstanding (not including any such Debt secured by Permitted Liens) which do not secure such outstanding securities issued under the Indenture equally and ratably with (or on a basis that is prior to) the other Debt secured thereby, would not exceed 15% of Consolidated Net Tangible Assets.

Section 3.04. *Applicability of Covenants Contained in the Base Indenture.* Each of the agreements and covenants of the Company contained in Article 3 of the Base Indenture shall apply to the Notes.

ARTICLE 4 THE NOTES

Section 4.01. *Form of Notes.* The Notes shall initially be issued in the form of one or more Global Securities substantially in the form of Exhibit A attached hereto (the “**Global Note**”).

Section 4.02. *Depository.* The Depository for the Global Note shall initially be The Depository Trust Company (“**DTC**”) and the Global Note shall be deposited with, or on behalf of, the Trustee as custodian for DTC and registered in the name of DTC or a nominee of DTC (such nominee being referred to herein as the “**Global Note Holder**”).

ARTICLE 5 EVENTS OF DEFAULT

Section 5.01. *Events of Default.* The following Events of Default shall apply to the Notes:

(a) default in the payment of any interest on any Note when it becomes due and payable, and continuance of such default for a period of 30 days (unless the entire amount of such payment is deposited by the Company with the Trustee or with a paying agent prior to the expiration of such period of 30 days);

(b) default in the payment of principal of or premium, if any, on any Note when due and payable;

(c) default in the performance or breach of any covenant or warranty of the Company in the Indenture (other than a covenant or warranty that has been included in the Indenture solely for the benefit of a series of debt securities other than the Notes), which default continues uncured for a period of 90 days after written notice to the Company by the Trustee or to the Company and the Trustee by the Holders of not less than 25% in principal amount of the Outstanding Notes as provided in the Indenture;

(d) a court having jurisdiction in the premises shall enter a decree or order for relief in respect of the Company in an involuntary case under any applicable bankruptcy, insolvency or other similar law now or hereafter in effect, or appointing a receiver, liquidator, assignee, custodian, trustee or sequestrator (or similar official) of the Company or

for all or substantially all of its property and assets or ordering the winding up or liquidation of its affairs, and such decree or order shall remain unstayed and in effect for a period of 60 consecutive days;

(e) the Company shall commence a voluntary case under any applicable bankruptcy, insolvency or other similar law now or hereafter in effect, or consent to the entry of an order for relief in an involuntary case under any such law, or consent to the appointment of or taking possession by a receiver, liquidator, assignee, custodian, trustee or sequestrator (or similar official) of the Company or for all or substantially all of its property and assets, or make any general assignment for the benefit of creditors; or

(f) (i) a default occurs under any instrument under which there is outstanding, or by which there may be secured or evidenced, any indebtedness of the Company for money borrowed by the Company (other than non-recourse indebtedness) which results in acceleration of, or non-payment at maturity (after giving effect to any applicable grace period) of, such indebtedness in an amount exceeding \$50,000,000, in which case the Company shall immediately give notice to the Trustee of such acceleration or non-payment and (ii) there shall have been a failure to cure such default or to discharge such defaulted indebtedness within ten days after notice thereof to the Company by the Trustee or to the Company and the Trustee by the Holders of at least 25% in aggregate principal amount of the Notes then Outstanding; provided, however, that no such Event of Default described in this paragraph (f) shall exist as long as the Company is contesting any such default or acceleration in good faith and by appropriate proceedings.

ARTICLE 6

REDEMPTION

Section 6.01. Optional Redemption.

(a) Prior to the Par Call Date, the Company may redeem the Notes at its option, in whole or in part, at any time and from time to time, upon written notice, at a redemption price (expressed as a percentage of principal amount and rounded to three decimal places) equal to the greater of:

(i) the sum of the present values of the remaining scheduled payments of principal and interest thereon discounted to the redemption date (assuming the Notes matured on the Par Call Date) on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate plus 20 basis points less (b) interest accrued to the date of redemption, and

(ii) 100% of the principal amount of the Notes to be redeemed,

plus, in either case, accrued and unpaid interest thereon to, but excluding, the redemption date.

(b) On or after the Par Call Date, the Company may redeem the Notes, in whole or in part, at any time and from time to time, upon written notice, at a redemption price equal to 100% of the principal amount of the Notes being redeemed plus accrued and unpaid interest thereon to, but excluding, the redemption date.

The Company's actions and determinations in determining the redemption price shall be conclusive and binding for all purposes, absent manifest error.

Section 6.02. Special Mandatory Redemption.

If (i) the Mott Acquisition is not consummated on or before the later of (a) November 20, 2024 or (b) such later date to which the outside date under the Mott Acquisition Agreement may be extended in accordance with the terms thereof, any such extension to be set forth in an Officer's Certificate delivered to the Trustee prior to the close of business on November 20, 2024 (the later of (a) and (b) being referred to herein as the "Special Mandatory Redemption End Date"), (ii) prior to the Special Mandatory Redemption End Date, the Mott Acquisition Agreement is terminated according to its terms without the closing of the Mott Acquisition or (iii) the Company otherwise notifies the Trustee in writing that the Company will not pursue the consummation of the Mott Acquisition (any event in clause (i), (ii) or (iii), a "Special Mandatory Redemption Event"), then the Company shall be required to redeem the Notes at a special mandatory redemption price equal to 101% of the aggregate principal amount of the Notes, plus accrued and unpaid interest, if any, to, but excluding, the Special Mandatory Redemption Date (subject to the right of Holders of the Notes of record on the relevant record date to receive interest due on an interest payment date falling prior to the Special Mandatory Redemption Date) (the "Special Mandatory Redemption Price")

(such redemption, a “Special Mandatory Redemption”). Unless the Company defaults in payment of the Special Mandatory Redemption Price, on and after such Special Mandatory Redemption Date, interest shall cease to accrue on the Notes to be redeemed.

In the event that the Company becomes obligated to redeem the Notes pursuant to the Special Mandatory Redemption, the Company shall promptly, and in any event not more than five Business Days after the Special Mandatory Redemption Event, deliver notice to the Trustee of the Special Mandatory Redemption and the date upon which the Notes shall be redeemed (the “Special Mandatory Redemption Date”), which date shall be no later than the tenth Business Day following the date of such notice unless some longer minimum period may be required by DTC (or any successor Depository), together with a notice of Special Mandatory Redemption for the Trustee to deliver to each registered Holder of Notes. The Trustee shall then, within two Business Days of its receipt of such notice, promptly mail or electronically deliver (or otherwise transmit in accordance with the Depository’s procedures) such notice of Special Mandatory Redemption to each registered Holder of the Notes in the name and at the expense of the Company.

On or before the Special Mandatory Redemption Date, the Company shall pay to a paying agent for payment to each Holder of the Notes the Special Mandatory Redemption Price for such Holder’s Notes.

Failure to make the Special Mandatory Redemption, if required in accordance with the terms described above, shall constitute an Event of Default with respect to the Notes.

Upon the consummation of the Mott Acquisition, the provisions of this Section 6.02 shall cease to apply. For the purposes of the Mott Acquisition, the Mott Acquisition shall be deemed consummated if the closing under the Mott Acquisition Agreement occurs, including after giving effect to any amendments or modifications to the Mott Acquisition Agreement or waivers thereunder.

Section 6.03. *Notice of Redemption; Partial Redemptions.* The provisions of the first, third and fourth paragraphs of Section 12.02 of the Base Indenture shall be replaced with the following in respect of any optional redemption of the Notes:

“Notice of redemption to the Holders of Notes to be redeemed as a whole or in part at the option of the Issuer shall be given by mailing notice of such redemption by first class mail, postage prepaid, or sending electronically pursuant to applicable DTC procedures, at least 10 days and not more than 60 days prior to the date fixed for redemption to such Holders of Notes at their last addresses as they shall appear upon the Security register. Any notice which is given in the manner herein provided shall be conclusively presumed to have been duly given, whether or not the Holder receives the notice. Failure to give notice or any defect in the notice to the Holder of any Note designated for redemption as a whole or in part shall not affect the validity of the proceedings for the redemption of any other Security of such series.

The election of the Issuer to redeem any Notes shall be set forth in an Officer’s Certificate which states that such election has been duly authorized by all requisite corporate action on the part of the Issuer delivered to the Trustee at least 5 days prior to the date notice of redemption is to be given to the Holders (unless a shorter notice shall be satisfactory to the Trustee). If the redemption price is not known at the time such notice is to be given, the actual redemption price, calculated as described in the terms of the Securities, shall be set forth in an Officer’s Certificate of the Issuer delivered to the Trustee no later than two Business Days prior to the date fixed for redemption. The notice of redemption of Notes to be redeemed at the option of the Issuer shall be given (i) by the Issuer or (ii) upon Issuer Order delivered to the Trustee together with such notice of redemption at least 5 days prior to the date such notice of redemption is to be given to the Holders (unless a shorter notice shall be satisfactory to the Trustee), by the Trustee in the name and at the expense of the Issuer.

On or before 11:00 A.M., New York City time, of the redemption date specified in the notice of redemption given as provided in this Section, the Issuer shall deposit with the Trustee or with one or more paying agents (or, if the Issuer is acting as its own paying agent, set aside, segregate and hold in trust as provided in Section 3.04) an amount of money sufficient to redeem on the redemption date all the Notes so called for redemption (other than those theretofore surrendered for conversion into Common Stock) at the appropriate redemption price, together with accrued interest to, but excluding, the date fixed for redemption. If any Note called for redemption is converted pursuant hereto, any money deposited with the Trustee or any paying

agent or so segregated and held in trust for the redemption of such Note shall be paid to the Issuer upon the Issuer's request, or, if then held by the Issuer, shall be discharged from such trust. The Issuer shall deliver to the Trustee at least 15 days prior to the date fixed for redemption (unless a shorter time period shall be acceptable to the Trustee) an Officer's Certificate (which need not comply with Section 11.05) stating the aggregate principal amount of Notes to be redeemed. In case of a redemption at the election of the Issuer prior to the expiration of any restriction on such redemption, the Issuer shall deliver to the Trustee, prior to the giving of any notice of redemption to Holders pursuant to this Section, an Officer's Certificate stating that such restriction has been complied with."

Section 6.04. *Applicability of Sections of the Base Indenture.* The provisions of Article 12 of the Base Indenture in respect of the Notes shall apply to any optional redemption of the Notes except when such provisions conflict with the foregoing.

ARTICLE 7 DEFEASANCE

Section 7.01. *Defeasance.* If the Company shall effect a defeasance of the Notes pursuant to Article 10 of the Base Indenture, the Company shall cease to have any obligation to comply with the covenants set forth in Article 3 hereof.

Section 7.02. *Amendment of Section 10.01(b)(iv) of the Base Indenture.* Solely for the purposes of the Notes, Section 10.01(b)(iv) of the Base Indenture is hereby amended by replacing that section in its entirety with the following:

"the Issuer shall have delivered to the Trustee an Opinion of Counsel from a nationally recognized counsel acceptable to the Trustee or a private letter ruling issued by the United States Internal Revenue Service to the effect that the beneficial owners will not recognize income, gain or loss for United States Federal income tax purposes as a result of the Issuer's exercise of its option under this Section 10.01(b) and will be subject to United States Federal income tax on the same amount and in the same manner and at the same times as would have been the case if such option had not been exercised;"

In the event that any date on which interest is payable on this Note is not a Business Day, then payment of interest payable on such date will be made on the next succeeding day that is a Business Day (and without any interest or other payment in respect of any such delay) with the same force and effect as if made on such interest payment date.

The Notes of this series are issuable only in fully registered form without coupons in minimum denominations of \$2,000 and integral multiples of \$1,000 above that amount.

Prior to August 1, 2029 (the “Par Call Date”), the Company may redeem the Notes at its option, in whole or in part, at any time and from time to time, upon written notice, at a redemption price (expressed as a percentage of principal amount and rounded to three decimal places) equal to the greater of: (1) (a) the sum of the present values of the remaining scheduled payments of principal and interest thereon discounted to the redemption date (assuming the Notes matured on the Par Call Date) on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate plus 20 basis points less (b) interest accrued to the date of redemption, and (2) 100% of the principal amount of the Notes to be redeemed, plus, in either case, accrued and unpaid interest thereon to, but excluding, the redemption date.

On or after the Par Call Date, the Company may redeem the Notes, in whole or in part, at any time and from time to time, upon written notice, at a redemption price equal to 100% of the principal amount of the Notes being redeemed plus accrued and unpaid interest thereon to, but excluding, the redemption date.

“Treasury Rate” means, with respect to any redemption date, the yield determined by the Company in accordance with the following two paragraphs.

The Treasury Rate shall be determined by the Company after 4:15 p.m., New York City time (or after such time as yields on U.S. government securities are posted daily by the Board of Governors of the Federal Reserve System), on the third Business Day preceding the redemption date based upon the yield or yields for the most recent day that appear after such time on such day in the most recent statistical release published by the Board of Governors of the Federal Reserve System designated as “Selected Interest Rates (Daily) — H.15” (or any successor designation or publication) (“H.15”) under the caption “U.S. government securities — Treasury constant maturities — Nominal” (or any successor caption or heading) (“H.15 TCM”). In determining the Treasury Rate, the Company shall select, as applicable: (1) the yield for the Treasury constant maturity on H.15 exactly equal to the period from the redemption date to the Par Call Date (the “Remaining Life”); or (2) if there is no such Treasury constant maturity on H.15 exactly equal to the Remaining Life, the two yields — one yield corresponding to the Treasury constant maturity on H.15 immediately shorter than and one yield corresponding to the Treasury constant maturity on H.15 immediately longer than the Remaining Life — and shall interpolate to the Par Call Date on a straight-line basis (using the actual number of days) using such yields and rounding the result to three decimal places; or (3) if there is no such Treasury constant maturity on H.15 shorter than or longer than the Remaining Life, the yield for the single Treasury constant maturity on H.15 closest to the Remaining Life. For purposes of this paragraph, the applicable Treasury constant maturity or maturities on H.15 shall be deemed to have a maturity date equal to the relevant number of months or years, as applicable, of such Treasury constant maturity from the redemption date.

If on the third Business Day preceding the redemption date H.15 TCM is no longer published the Company shall calculate the Treasury Rate based on the rate per annum equal to the semi-annual equivalent yield to maturity at 11:00 a.m., New York City time, on the second Business Day preceding such redemption date of the United States Treasury security maturing on, or with a maturity that is closest to, the Par Call Date, as applicable. If there is no United States Treasury security maturing on the Par Call Date but there are two or more United States Treasury securities with a maturity date equally distant from the Par Call Date, one with a maturity date preceding the Par Call Date and one with a maturity date following the Par Call Date, the Company shall select the United States Treasury security with a maturity date preceding the Par Call Date. If there are two or more United States Treasury securities maturing on the Par Call Date or two or more United States Treasury securities meeting the criteria of the preceding sentence, the Company shall select from among these two or more United States Treasury securities the United States Treasury security that is trading closest to par based upon the average of the bid and asked prices for such United States Treasury securities at 11:00 a.m., New York City time. In determining the Treasury Rate in accordance with the terms of this paragraph, the semi-annual yield to maturity of the applicable United States Treasury security shall be based upon the average of the bid and asked prices (expressed as a percentage of principal amount) at 11:00 a.m., New York City time, of such United States Treasury security, and rounded to three decimal places.

The Company's actions and determinations in determining the redemption price shall be conclusive and binding for all purposes, absent manifest error.

If (i) the Mott Acquisition is not consummated on or before the later of (a) November 20, 2024 or (b) such later date to which the outside date under the Mott Acquisition Agreement may be extended in accordance with the terms thereof, any such extension to be set forth in an Officer's Certificate delivered to the Trustee prior to the close of business on November 20, 2024 (the later of (a) and (b) being referred to herein as the "**Special Mandatory Redemption End Date**"), (ii) prior to the Special Mandatory Redemption End Date, the Mott Acquisition Agreement is terminated according to its terms without the closing of the Mott Acquisition or (iii) the Company otherwise notifies the Trustee in writing that the Company will not pursue the consummation of the Mott Acquisition (any event in clause (i), (ii) or (iii), a "**Special Mandatory Redemption Event**"), then the Company will be required to redeem the Notes at a special mandatory redemption price equal to 101% of the aggregate principal amount of the Notes, plus accrued and unpaid interest, if any, to, but excluding, the Special Mandatory Redemption Date (subject to the right of Holders of the Notes of record on the relevant record date to receive interest due on an interest payment date falling prior to the Special Mandatory Redemption Date) (the "**Special Mandatory Redemption Price**") (such redemption, a "**Special Mandatory Redemption**"). Unless the Company defaults in payment of the Special Mandatory Redemption Price, on and after such Special Mandatory Redemption Date, interest will cease to accrue on the Notes to be redeemed.

In the event that the Company becomes obligated to redeem the Notes pursuant to the Special Mandatory Redemption, the Company will promptly, and in any event not more than five Business Days after the Special Mandatory Redemption Event, deliver notice to the Trustee of the Special Mandatory Redemption and the date upon which the Notes will be redeemed (the "**Special Mandatory Redemption Date**"), which date shall be no later than the tenth Business Day following the date of such notice unless some longer minimum period may be required by DTC (or any successor Depository), together with a notice of Special Mandatory Redemption for the Trustee to deliver to each registered Holder of Notes. The Trustee will then, within two Business Days of its receipt of such notice, promptly mail or electronically deliver (or otherwise transmit in accordance with the Depository's procedures) such notice of Special Mandatory Redemption to each registered Holder of the Notes in the name and at the expense of the Company.

On or before the Special Mandatory Redemption Date, the Company will pay to a paying agent for payment to each Holder of the Notes the Special Mandatory Redemption Price for such Holder's Notes.

Failure to make the Special Mandatory Redemption, if required in accordance with the terms described above, will constitute an Event of Default with respect to the Notes.

Upon the consummation of the Mott Acquisition, the foregoing provisions regarding Special Mandatory Redemption will cease to apply. For the purposes of the Mott Acquisition, the Mott Acquisition will be deemed consummated if the closing under the Mott Acquisition Agreement occurs, including after giving effect to any amendments or modifications to the Mott Acquisition Agreement or waivers thereunder.

If a Change of Control Triggering Event occurs, unless the Company has exercised its option (or obligation, as the case may be) to redeem the Notes as described above, the Company shall be required to make an offer (a “**Change of Control Offer**”) to each Holder of the Notes to repurchase all or any part (equal to \$2,000 or an integral multiple of \$1,000 in excess thereof) of that Holder’s Notes on the terms set forth herein. In a Change of Control Offer, the Company shall be required to offer payment in cash equal to 101% of the aggregate principal amount of Notes repurchased, plus accrued and unpaid interest, if any, on the Notes repurchased to, but not including, the repurchase date (a “**Change of Control Payment**”).

Within 30 days following any Change of Control Triggering Event or, at the Company’s option, prior to any Change of Control, but after public announcement of the transaction that constitutes or may constitute the Change of Control, a notice shall be mailed or sent electronically pursuant to applicable DTC procedures to Holders of the Notes with a copy to the Trustee describing the transaction that constitutes or may constitute the Change of Control Triggering Event and offering to repurchase such Notes on the repurchase date specified in the applicable notice, which date shall be no earlier than 10 days and no later than 60 days from the date on which such notice is mailed or sent (a “**Change of Control Payment Date**”).

The notice shall, if mailed or sent prior to the date of consummation of the Change of Control, state that the Change of Control Offer is conditioned on the Change of Control Triggering Event occurring prior to or on the applicable Change of Control Payment Date specified in the notice.

On each Change of Control Payment Date, the Company shall, to the extent lawful: (i) accept for payment all Notes or portions of Notes properly tendered pursuant to the applicable Change of Control Offer; (ii) no later than 10:00 a.m. New York City time, deposit with the paying agent an amount equal to the Change of Control Payment in respect of all Notes or portions of Notes properly tendered pursuant to the applicable Change of Control Offer; and (iii) deliver or cause to be delivered to the Trustee the Notes properly accepted together with an Officer’s Certificate stating the aggregate principal amount of Notes or portions of Notes being repurchased.

The Company shall not be required to make a Change of Control Offer upon the occurrence of a Change of Control Triggering Event if a third party makes such an offer in the manner, at the times and otherwise in compliance with the requirements for an offer made by the Company, and the third party repurchases all Notes properly tendered and not withdrawn under its offer.

The Company shall comply with the requirements of Rule 14e-1 under the Exchange Act, and any other securities laws and regulations thereunder to the extent those laws and regulations are applicable in connection with the repurchase of the Notes as a result of a Change of Control Triggering Event. To the extent that the provisions of any such securities laws or regulations conflict with the Change of Control Offer provisions of the Notes, the Company shall comply with those securities laws and regulations and shall not be deemed to have breached its obligations under the Change of Control Offer provisions of the Notes by virtue of any such conflict.

“**Change of Control**” means the occurrence of any of the following:

- (a) the direct or indirect sale, lease, transfer, conveyance or other disposition (other than by way of merger or consolidation), in one or more series of related transactions, of all or substantially all of the Company’s assets and its Subsidiaries’ assets, taken as a whole, to any person, other than the Company or one of the Company’s subsidiaries; provided, however, that none of the circumstances in this clause (a) shall be a Change of Control if the persons that beneficially own the Company’s Voting Stock immediately prior to the transaction own, directly or indirectly, shares with a majority of the total voting power of all outstanding voting securities of the surviving or transferee person that are entitled to vote generally in the election of that person’s board of directors, managers or trustees immediately after the transaction;
- (b) the consummation of any transaction (including, without limitation, any merger or consolidation), the result of which is that any person becomes the beneficial owner, directly or indirectly, of more than 50% of the Company’s outstanding Voting Stock or other Voting Stock into which the Company’s Voting Stock is reclassified, consolidated, exchanged or changed, measured by voting power rather than number of shares;
- (c) the Company consolidates with, or merges with or into, any person, or any person consolidates with, or merges with or into, the Company, in any such event pursuant to a transaction in which any of the Company’s outstanding

Voting Stock or the Voting Stock of such other person is converted into or exchanged for cash, securities or other property, other than any such transaction where the shares of the Company's Voting Stock outstanding immediately prior to such transaction constitute, or are converted into or exchanged for, a majority of the Voting Stock of the surviving person or any direct or indirect parent company of the surviving person immediately after giving effect to such transaction; or

(d) the adoption of a plan relating to the liquidation or dissolution of the Company.

As used in this definition, the term "**person**" has the meaning given thereto in Section 13(d)(3) of the Exchange Act. As used in this definition, the term "**beneficial owner**" has the meaning given thereto in Rules 13d-3 and 13d-5 of the Exchange Act.

"**Rating Agencies**" means (1) each of Fitch, Moody's and S&P; and (2) if any of Fitch, Moody's or S&P ceases to rate the Notes or fails to make a rating of the Notes publicly available for reasons outside of the Company's control, a "nationally recognized statistical rating organization" within the meaning of Rule 15c3-1(c)(2)(vi)(F) under the Exchange Act selected by the Company as a replacement agency for Fitch, Moody's or S&P, or all of them, as the case may be.

"**Rating Event**" means a decrease in the ratings of the Notes below Investment Grade by at least two of the three Rating Agencies on any date from the date that is 60 days prior to the date of the first public notice of an arrangement that could result in a Change of Control until the end of the 60-day period following the consummation of such Change of Control (which period shall be extended so long as the rating of the Notes is under publicly announced consideration for possible downgrade by any of the Rating Agencies).

"**S&P**" means S&P Global Ratings and its successors.

"**Voting Stock**" means, with respect to any specified "**person**" (as that term is used in Section 13(d)(3) of the Exchange Act) as of any date, the Capital Stock of such person that is at the time entitled to vote generally in the election of the board of directors of such person.

The Notes are initially limited to \$500,000,000 aggregate principal amount. The Company may from time to time, without notice to or the consent of the Holders of the Notes, create and issue additional Notes ranking equally with the Notes in all respects (or in all respects other than the payment of interest accruing prior to the issue date of such further Notes or except for the first payment of interest following the issue date of such further Notes). Such further Notes may be consolidated and form a single series with the Notes and have the same terms as to status, redemption or otherwise as the Notes; provided that the Notes and such further Notes must be fungible with each other for U.S. federal income tax purposes.

The Notes are not entitled to the benefit of any sinking fund.

The Indenture imposes certain limitations on the ability of the Company to, among other things, merge or consolidate with any other Person or sell, convey, transfer or lease all or substantially all of its assets to any Person, and requires that the Company comply with certain further covenants, such as Limitations on Liens and Limitations on Sale and Leaseback Transactions. All such covenants and limitations are subject to a number of important qualifications and exceptions.

The Indenture contains provisions for the defeasance at any time of (a) the entire indebtedness of the Company on this Note and (b) certain restrictive covenants and the related defaults and Events of Default, upon compliance by the Company with certain conditions set forth therein, which provisions apply to this Note.

The Indenture contains provisions permitting, with certain exceptions therein provided, the Company and the Trustee, without the consent of any of the Holders of the Outstanding Notes, to modify and amend the Indenture for the purpose of, among other things, curing any ambiguity or correcting or supplementing any provision contained in the Indenture which may be defective, mistaken or inconsistent with any other provision contained in the Indenture.

The Indenture also contains provisions permitting the Holders of a majority in aggregate principal amount of the Outstanding Notes, on behalf of the Holders of all Notes, to waive any past default or Event of Default with respect to the Notes and its consequences, except a default in the payment of the principal of or interest on any of the Notes or in respect of a covenant or other provision which, under the terms of the Indenture, cannot be modified or amended without the consent of the Holder of each Outstanding Note.

No reference herein to the Indenture and no provision of this Note or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of and interest on this Note at the times, place and rate, and in the currency, herein prescribed.

No recourse under or upon any obligation, covenant or agreement contained in the Indenture or any supplemental indenture, or in any Note, or because of any indebtedness evidenced thereby, shall be had against any incorporator, as such, or against any past, present or future stockholder, officer or director, as such, of the Company or of any successor, either directly or through the Company or any successor, under any rule of law, statute or constitutional provision or by the enforcement of any assessment or by any legal or equitable proceeding or otherwise, all such liability being expressly waived and released by the acceptance hereof and as part of the consideration for the issue hereof.

Re: Registration Statement on Form S-3

Ladies and Gentlemen:

We refer to the Registration Statement on Form S-3, File No. 333-277309 (the "Registration Statement"), filed by IDEX Corporation, a Delaware corporation (the "Company"), with the Securities and Exchange Commission under the Securities Act of 1933, as amended (the "Securities Act"), which Registration Statement became effective upon filing pursuant to Rule 462(e) under the Securities Act. Pursuant to the Registration Statement, the Company is issuing \$500,000,000 aggregate principal amount of the Company's 4.950% Senior Notes due 2029 (the "Securities"). The Securities are being issued under an Indenture, dated as of December 6, 2010 (the "Base Indenture"), as amended and supplemented by a Fifth Supplemental Indenture, dated as of August 21, 2024 (the "Fifth Supplemental Indenture;" the Base Indenture, as amended and supplemented by the Fifth Supplemental Indenture, is hereinafter called the "Indenture"), each between the Company and Computershare Trust Company, N.A., as successor to Wells Fargo Bank, National Association, as trustee (the "Trustee"). The Securities are to be sold by the Company pursuant to an Underwriting Agreement, dated as of August 7, 2024 (the "Underwriting Agreement"), among the Company and Wells Fargo Securities, LLC, BofA Securities, Inc. and J.P.
